What's right for Fridays?

Think easy but not sloppy. Sleeveless tops and dresses, silky trousers and flats are good options. Steer clear of anything supercasual, like graphic tees, sweatshirts or sneakers, says Sophie Wood, founder of Workchic.com.

Jamie Chung in L.A.

Which styles should I avoid?

Anything too tight Body-hugging shapes and ultrafitted materials are no-nos, says Kat Griffin, founder of Corporette.com. You don't want to be overly sexy or risk showing panty lines.

Anything revealing Spaghetti straps, low-cut necklines, minis and high slits expose too much skin.

Flip-flops Whether they're leather or plastic, they're best for weekends, says Griffin.
